

INSTRUCTOR BIOS

One Day Oil Analysis Training

Matt McMahon, CLS

In over 9 years of employment with Insight Services, Matt has reviewed over 300,000 analysis reports. Matt is an STLE Certified Lubrication Specialist (CLS) and his current position is Senior Data Analyst. Matt holds an Associate of Applied Science degree in Automotive Technology and a Bachelor of Science in Geology with a minor in Chemistry. Before coming to Insight Services, Matt worked in the automotive field both as a technician and instructor, and is a certified ASE Master Automotive Technician.

Tim Nelson, OMA

Tim spent 33 years in a major chemical plant with the majority of the time spent in the maintenance and reliability disciplines. Tim managed one of the largest oil analysis programs in the U.S., managing a lubrication program with more than 100,000 pieces of rotating equipment. Tim worked in a world class reliability program. In addition, Tim has taught several lubrication seminars, published articles in trade journals and presented papers at major trade shows.
